

The Beds & Biscuits Promise

As owners of Beds and Biscuits Boarding Kennel LLC, we sincerely care about the welfare and happiness of your cherished pet. We agree to exercise due and reasonable care and to keep our kennel premises clean, sanitary and properly enclosed. Your pet will be fed and watered properly and regularly, and to be housed in clean, safe quarters. They will receive personal time and given the opportunity to be outside without having other dogs in the same outdoor runs (unless requested otherwise).

Thank you for your patronage and trust.
